Re: CFDA 84.027 Part B IDEA Special Education Entitlement Allocation Revised ~ Fiscal Year 2012

The Commissioner of Education has been notified by the Director of the Office of Special Education Programs (OSEP) of the U.S. Congress passage of P.L.112-74 the "Continuing Appropriation Act, 2012." P.L. 112-74, the "Consolidated Appropriations Act, 2012," signed by the President on December 23, 2011, decreased the across-the-board reduction from 1.503 percent to 0.189 percent.

The Bureau of Special Education has recalculated districts allocations based on the original allocations in the FY'11 Memo #26 to reflect a 0.189 percent decrease. The revised district allocations will be uploaded within five days of this memo.

Please remember that district calculation for IDEA Proportional Share of Parentally Placed Private School students will need to be calculated based on allocation that is being uploaded.

If you need further clarification or have any questions, please contact Ralph Tilton, (603) 271-3839, ralph.tilton@doe.nh.gov.
